# Campaign Purpose

- To minimize deliberately discharge of oil in Danish Waters.
- To secure a fast Environmental effort at Sea to minimize the damage on the animal life and on the beaches.
- To increase the possibilities for finding and prosecute the Polluter.
- **PREVENTION**

**Stop olien..!**  
**- før den breder sig**

**Din hjælp er vigtig**

Sejler du i de danske farvande, kan du melde dig som Havmiljøvogter for SOK.

Du kan gøre en forskel for havmiljøet i Danmark. Ved olieforurening på havet er hurtig reaktion vejen til effektiv bekæmpelse. Det giver færre skader på miljø og dyreliv og bedre muligheder for at rensfølg forureneren.
